BY-LAW 16

DEFENSE AND INDEMNIFICATION OF DIRECTORS AND OFFICERS

16.1. Defense and Indemnification of Directors and Officers in Civil Proceedings.

The College shall defend and indemnify to the full extent permitted by applicable law any present or former member of the Board of Directors, and any other present or former Officer of the College, who has been, is, or becomes a party to any action or proceeding arising out of an act or omission occurring within the scope of his or her duties as a member of the Board of Directors of the College or as an Officer of the College. The defense and indemnification provided hereunder shall not be deemed exclusive of any other rights to which a party seeking indemnification may be entitled under any statute, bylaw, insurance, agreement, or otherwise, and shall inure to the benefit of the heirs, executors, and administrators of each Director or Officer. Such defense and indemnification shall supplement indemnification provided by statute and other policies of the College and are provided for all covered actions or proceedings to the fullest extent permitted by law.

As a condition to seeking defense and indemnification, the party shall give prompt notice to the General Counsel of the pendency of any action or proceeding for which he or she may appropriately seek defense and indemnification, shall keep the General Counsel apprised of significant developments in the action or proceeding, and shall cooperate in the defense.

When such notice is provided, the College shall provide a defense for the party or, by mutual agreement, may permit the party to provide for his or her own defense. When expenses incurred in defending an action or proceeding are paid by the College in advance of the final disposition of such action or proceeding, it shall be with the understanding that the party must repay such amount unless it ultimately shall be determined that he or she is entitled to be indemnified as authorized herein.

Such indemnification shall be limited to expenses actually and reasonably incurred by such party in connection with the defense, judgment (except for punitive damages which are addressed elsewhere in this By-Law), or settlement of such action or proceeding if authorized in the specific case, and after it has been resolved, upon an independent determination that

indemnification is proper in the circumstances because the party acted in good faith, in a manner such party believed to be in the best interest of the College, and with such care, including reasonable inquiry, as an ordinarily prudent person in a like position would use under similar circumstances. For purposes of this By-Law, "expenses" includes without limitation attorneys' fees and any expenses of establishing a right to indemnification hereunder.

Such indemnification shall be made for punitive damages when it would otherwise be proper under this By-Law and under the following additional criteria: Prior to such indemnification an independent determination must conclude that the present or former member of the Board or Officer of the College acted or failed to act in a manner without malice and in the apparent best interests of the College, and that payment of the award would be in the best interests of the College.

When any independent determination is required pursuant to this policy, it shall be made by the Board, by a majority vote of a quorum consisting of members not parties to such action or proceeding. If such quorum cannot be convened or, even if convened, if a majority of such quorum so directs, the determination shall be made by a disinterested third party appointed by such quorum or, if no such quorum can be convened, the appointment of the disinterested third party shall be made by the President of the State Bar of California. The independent determination provided hereunder shall be made upon a consideration of all relevant facts and circumstances including without limitation the record of any action or proceeding giving rise to the request for indemnification. The independent determination in connection with any request for indemnification for punitive damages additionally shall consider the availability of College funds from appropriate fund sources.
